Subject: Request for APS Rate Case Hearing in Flagstaff

0000177767

Hello Commissioner Dunn,

My name is Valentina Pauna and I am a graduate student at Northern Arizona University and also a ratepayer in Flagstaff. I attended the City Council Meeting on January 31st, 2017 and was very excited when Maureen Scott agreed that the Arizona Corporation Commission could have a hearing in Flagstaff. However, I saw recently on the e-docket that the ACC is considering not having a hearing on APS's rate case in Flagstaff, which was very disappointing news.

I know that the city of Flagstaff is one of Northern Arizona's largest electricity consumers. In addition, as an active community member and student studying topics directly related to this rate case I would very much like to be a part of the conversation if and when the ACC has a hearing. I know that I am among many other Flagstaff residents that feel the same way.

I strongly urge you to reconsider changing the venue or canceling the hearing all together and schedule a hearing in Flagstaff. The City Council of Flagstaff has already given the ACC a warm invitation to host the hearing at City Hall. Furthermore, the ratepayers of Flagstaff deserve to participate in this hearing. As an elect official, you have a responsibility to adhere to the request of your constituents, and I hope you consider my request.

Best,

Valentina
